

Oak Hill Parkway Open House No. 4

WELCOME!

January 20, 2015

OAK HILL
PARKWAY

PROJECT LOCATION

Purpose

What are we trying to do?

- Improve mobility and operational efficiency
- Promote long-term congestion management
- Increase multimodal travel options for people and goods
- Improve safety
- Improve emergency response

Need

What are we trying to solve?

- Traffic congestion related to population growth – Travis Co. has grown from 212,000 in 1960 to just over 1 million in 2010
- Crashes on US 290/SH 71 West – 304 between 2009-2011, resulting in one fatality, nine incapacitating injuries, other injuries and property damage
- Lost time – Drivers waste more than 340,000 hours per year stuck in traffic (Texas Transportation Institute, 2011)
- Lack of reliable connectivity
- Unreliable route for transit and emergency vehicles

Tentative Schedule

The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried-out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated December 16, 2014, and executed by FHWA and TxDOT.
