

Oak Hill Parkway Open House

WELCOME!

June 17, 2014

Why Am I Here?

- To review/provide comments on remaining and revised mobility concepts
- To review/provide comments on the next round of evaluation criteria
- Discuss Context Sensitive Solutions process

Purpose

What are we trying to do?

- Improve mobility and operational efficiency
- Promote long-term congestion management
- Increase multimodal travel options for people and goods
- Improve safety
- Improve emergency response

Need

What are we trying to solve?

- Traffic congestion related to population growth – Travis Co. has grown from 212,000 in 1960 to just over 1 million in 2010
- Crashes on US 290/SH 71 West – 304 between 2009-2011, resulting in one fatality, nine incapacitating injuries, other injuries and property damage
- Lost time – Drivers waste more than 340,000 hours per year stuck in traffic (Texas A&M Transportation Institute, 2011)
- Lack of reliable connectivity
- Unreliable route for transit and emergency vehicles
